*Stranded!*

Billionaire Gibb Martin loves risk almost as much as he loves a well-made suit. But when his business partner and longtime friend suddenly bails on a major venture to get married...well, that's one risk Gibb isn't willing to take. Now he just needs to charter a plane to Florida so he can stop the wedding—fast!

Normally, bombshell pilot Sophia Cruz would have told Slick City Boy exactly where to go. Unfortunately, she really needs cash—even if it does come from an overprivileged guy with a very fine backside. But then disaster strikes midair, and Sophia is forced to crash-land the plane....

Now they're alone on a stunning deserted island—and surrounded by temptation. And this is one collision they *won't* be able to walk away from!
