*I Follow in the Dust She Raises* is a collection of deeply personal poems born from a life sharply observed. Martin takes readers from the mountains of the West to the shores of Alaska, as she delves into the rippling depth of childhood experiences, tracks the moments that change a life, and settles into the fine grooves of age. Exploring the ties of family and grief, Martin's unflinching poetry ripples with moments of extraordinary beauty plucked from what seem like ordinary lives.
