Miscast Spells: The Styx Trilogy Book One Rose Corcoran

Mad bombers, matchmaking, magic spells—what's a butler to do?

Meet Bostwick von Dogsbody, a sardonic door-to-door magician, and his white rabbit, Emmaline, who just happens to be a cursed human princess. The two are traveling through the goblin-run continent of Ataxia in search of the legendary Domino of Nonpareil—a mask that allows the wearer to become anything he desires—in order to return Emmaline to normal. Their journey has finally led them to Styx Castle, where they meet Millicent, a human maid who wound up in Styx due to mysterious (and embarrassing) circumstances, and Delilah, a goblin queen with a taste for the chaotic.

But Bostwick's theft of the Domino does not go unnoticed. To avoid a harsher punishment, he agrees to be Delilah's butler for a hundred years. Before he can escape the queen's clutches, he'll have to face mad bombers, an all-bugbear police force, romantic schemes gone awry, and a mysterious goblin-turned-cat named Sebastian who also has designs on the Domino. And as if that wasn't enough, he soon learns that Millicent is also a magician—and needs him to teach her!
