Pakitan at the Knife's Edge is veteran journalist M.B.Naqvi's understanding of contemporary Pakistan and the directions the country could take or ought to. From the sacking of the Chief justice of the Supreme Court, Iftikhar Muhammad Chaudhry, by General Pervez Musharraf, to the return of Benazir Bhutto and her assasination on 27 December 2007, the book traces the lawyer's agitation to the general elections in 2008, and also the rise of more vocal civil society.

M.B.Naqvi focuses on the lawyer's movement for judicial autonomy and reinstatement of democracy and derives great hope from it, the movement has become a locus for a more braod-based demand for democracy raised by civil society. So Pakistan is poised at knife's edge: whihc way will it go? A human rights activist and fervent supporter of liberal democratic dispensation, Naqvi presents a compelling blueprint for the future of the country.
