There's Always Something to Do Christopher Risso-Gill

In the context of recent financial upheavals and ongoing uncertainty, Peter Cundill's wise and frequently funny reflections are more important than ever. In a seamlessly assembled narrative drawn from interviews, speeches, and exclusive access to the daily journal Cundill kept for forty-five years, Christopher Risso-Gill outlines Cundill's investment approach and provides accounts of his investments and the analytical process that led to their selection. A book for everyday investors as much as professional investors and investment gurus, *There's Always Something to Do* offers a compelling perspective on global financial markets and on how we can avoid their worst pitfalls and grow our hard-earned capital.
