Uma briga entre alunos cria a oportunidade para a professora discutir em sala de aula a importância da tolerância, paciência e controle emocional no trânsito. O terceiro conto da série "Fábulas do Trânsito" segue a proposta de trazer histórias curtas e contextualizadas com a realidade das crianças. Com ilustrações inspiradas em gibis, a série propõe que a formação de motoristas responsáveis e solidários começa com a educação infantil e a conscientização promovida pela família e a escola.
