Since Josie Prescott left a high-paying job in New York to set up shop as an antiques appraiser on the rugged New Hampshire coast, her life has not gone exactly according to plan. In many ways, it's gone better: She has a booming business, good friends and neighbors, and even a promising romance.

But dead bodies do seem to keep crossing her path. And now her friend Rosalie has been killed just hours after confiding a secret to Josie, leaving a bereaved twelve-year-old sister, Paige, who reminds Josie of herself when her mother died. It turns out that Rosalie had other secrets too: a mysterious treasure she told her sister she was leaving behind—and a secret admirer who now seems to be turning his creepy attention to Josie!

As Josie races to solve the crime while helping Paige and trying to keep her business afloat, Jane K. Cleland brings us an irresistible new blend of coziness, crime, and collectibles.
