Rachel Davis will do anything to get her sister out of a bad relationship with her fiancé. Even if it involves a few fibs, a little breaking-and-entering, and blackmailing the fiancé's potential boss, Charles, for his help. So what if the handsome Charles happens to be a vampire?

Charles Wright has found the perfect way to trap the man threatening his brother's wife: cozy up to him, get invited along on the skiing trip, and then search for incriminating evidence. How much better that audacious but gorgeous Rachel is just as eager to nail the bastard. As far as he's concerned, there's nothing wrong with a little blackmail between two consenting adults. Especially when it's time for Rachel to pay up.
