El anticuario (Clásica Maior) (Spanish Edition)

Walter Scott

El anticuario (Clásica Maior) (Spanish Edition) Walter Scott

Una espléndida mañana de verano a finales del siglo XVIII, mientras Europa se bate en guerra y en las islas Británicas se teme una invasión de las tropas revolucionarias francesas, dos viajeros coinciden en Edimburgo en la parada de la diligencia con destino a Fairport, en la costa oriental de Escocia. Uno de ellos es el señor de Monkbarns, cuya pasión son la arqueología y los libros antiguos: está convencido de que en sus posesiones se oculta un campamento romano. El otro es un joven apuesto y callado que solo dice llamarse Lovel y viajar tanto por negocios como por placer. Una vez en Fairport, la identidad y los propósitos del joven no solo serán la comidilla de la población sino que conducirán a arrebatados y peligrosos lances.

En *El anticuario* (1816), una de las obras maestras de Walter Scott –en nueva traducción de Arturo Peral, Francisco González y Laura Salas–, la imaginación romántica despliega espectacularmente todos sus personajes, paisajes y conflictos: desde imprevistas subidas de marea en una playa al borde de un acantilado hasta duelos en las ruinas de un monasterio, pasando por tesoros enterrados, cultos secretos y apariciones fantasmales. La galería de figuras es, por lo demás, impresionante: mendigos por vocación, condes lánguidos con un espantoso secreto en su pasado, capitanes pendencieros, baronets en la ruina, nigromantes alemanes y una muchacha enamorada que cree que es su «deber» no casarse por debajo de su condición. Es ésta una novela, sin embargo, en la que no es romántico todo lo que lo parece, y en la que el humor y la lucidez brillan con genialidad.
