Years ago in a mountain village called Aldburg, the townspeople had rid the area of wolves because they would eat the town's livestock when they grew hungry during wintertime. Hoky is the sole survivor of the last wolf pack in the region and, against all odds, gradually becomes friends with a young shepherd named Jacob who works to earn his trust. A tale of respect and love between humankind and the environment, this story speaks of values such as cooperation and friendship, as well as of a love for animals and nature, that will remind readers that the world can live in harmony.

*Hace años en un pueblo montañoso llamado Almés, los ciudadanos habían sacado a todos los lobos del área porque se comían los animales del pueblo cuando les daba hambre durante el invierno. Hoky es el único sobreviviente de la última manada en la región y, a pesar de todo, poco a poco se hace amigo de un joven pastor llamado José quien trabaja para merecer su confianza. Una historia sobre el respeto y el amor entre la humanidad y el medioambiente, este cuento comunica valores tales como la cooperación y la amistad, al igual que el amor por los animales y la naturaleza, que les recordará a los lectores que el mundo puede vivir en armonía.*
