What if a retired NYPD officer is asked to investigate a mysterious death at the National Authors Conference where various attendees offer their theories and suspicions? *Murder...They Wrote* answers this question as Agapé Jones, retired NYPD detective, tries to determine the truth surrounding the death of Robert Dyer, noted poet and critic. Confusing and confounding him are Robert's award-winning romance novelist ex-girlfriend, current young girlfriend, ex-wife, recently discovered illegitimate daughter, agent, an action/adventure author, famous psychic, long-time friend, and the mysterious countess. While Agapé enjoys getting a chance to exercise his old skills, his wife, Geraldine, isn't pleased, even though she talked him into volunteering as head of security for the conference. Peopled by a cast of quirky and deliciously amusing characters, *Murder...They Wrote* will quickly engage the reader. It is filled with accusations, theories, twists, turns and surprises. The authors each have unique personalities and bring them to the creation of the fictional authors.
