## **Riffraff: Poems (LSU Press Paperback Original)** Stephen Cushman

Stephen Cushman's *Riffraff* embodies the spirit of its title, a Middle English word for "every particle" or "things of small value." In this striking collection, scraps of the overlooked, and distasteful—a prostitute passed in the street, the speaker's own forgotten dreams, toothless dogs rolling in deer offal—become occasions to meditate on the rich experiences from which we too often turn away.

The poems reflect on the possibilities of language, the natural world, politics, history, eros, aging, family, and spiritual devotion. Without pretension, Cushman values "adepts who can dwell in the kiosk of a kiss." Skillfully, he transmutes his own curiosity and surprise into moments of shared instruction. "Keep low," he whispers. "Stay put. / Learn from the leaves."

*Riffraff* culls what we have discarded, saves from abandonment the notions we have taken for granted, and, indeed, venerates every particle.
