**From Book 1:** *Sometimes, falling in love really is the end of the world...*

Ivy has always seen things that she cannot explain. Strange things. Otherworldly things. But when her sister goes missing, Ivy discovers the truth is far worse--her hallucinations are real, and her sister is imprisoned in a realm beyond Ivy's reach. The one person who can help her is the dangerously attractive rebel who's bound by an ancient legacy to betray her.

The fate Adrian has fought to escape is here - but he never expected the burning need he feels for Ivy. With destiny on one side and desire on the other, Adrian must help Ivy search for the powerful relic that can save her sister. Yet he knows what Ivy doesn't: the truth about her own destiny, and a war that could destroy the world. Sooner or later, it will be Ivy on one side, Adrian on the other, and nothing but ashes in between...
