America the Beautiful: A Novel Moon Unit Zappa

America Throne is living the good life in L.A. Her career is sprouting, and she is in love -- with Jasper Husch, a sexy-sultry artist from San Fran. But just as soon as they've realized domestic bliss, Jasper has a change of heart, and America falters on the slippery slope of hope: hoping that he will come back, hoping that new sex will erase all evidence of him, and hoping that in nurturing a truce with her dead father she will make peace with all men.

America's trip from self-destruction to wholeness is a romp on the wilder shores of the West Coast. From a dodgy therapist to a silent retreat, America Throne's "aha" moment culminates with, "While we are all busy swimming upstream, the universe is conspiring to take us to something better."

In *America the Beautiful*, Moon Zappa has taken the broken-heart story and given it a twist all her own through the emotional honesty and edginess of America Throne. Hailed as "brilliant" (*Sunday Telegraph Magazine*), *America the Beautiful* is the debut of an unforgettable and unfaltering new voice.
