## Celtic Literature Matthew Arnold

Matthew Arnold is rightly placed amongst the greats of Victorian Poetry with Browning and Tennyson. The son of the founder of Rugby School he grew up to become a poet via a career as a school inspector. His own words best represent how he came to be so well regarded: "My poems represent, on the whole, the main movement of mind of the last quarter of a century, and thus they will probably have their day as people become conscious to themselves of what that movement of mind is". In this volume we bring you his work 'Celtic Literature'. It is a wise and very interesting work. Many of the poems are also available as an audiobook from our sister company Portable Poetry at iTunes, Amazon and other digital stores.. Many samples are at our youtube channel <http://www.youtube.com/user/PortablePoetry?feature=mhee>
