## Dangerous Magic Alix Rickloff

*Cornwall, 1812*

Gwenyth Killigrew, the Witch of Kerrow, has seen the tragic fate that awaits any man she's foolish enough to fall in love with. Yet she yearns for a daughter to carry on her healer's wisdom and otherworldly gifts of Sight. When Rafe Fleming, a notorious smuggler, washes ashore near her home, she thinks she's found the man to father that child.

Rafe knew his time as an outlaw was coming to an end. He just hadn't realized it would be on the dangerous Cornwall coast, in the home of an alluring witch. After Gwenyth saves him, they strike a bargain: he'll give her a child, and she'll help him find a proper wife so he can reenter society and pick up the pieces of his shattered life.

But the more time Rafe spends with Gwenyth—in and out of bed—the more he questions what he thinks he wants. He must choose between the wife he needs and the woman he desires...if falling for Gwenyth doesn't kill him first.
