This offbeat account takes the reader on a life-and-death journey through the eyes of a devoted yet independent daughter, showing how an alternative spiritual path can affect families immersed in traditional religion. Her father, Aaron Oscar Zaret, sings, dances, and story-tells his way through his last days. From Bagels to Curry (hence, from Judaism to yoga) offers this singular message: that living and dying are chapters of the same divine mystery—love. Lila Devi has authored several books, including the holistic classic, *The Essential Flower Essence Handbook*, and founded Spirit-in-Nature Essences. She resides in Assisi, Italy and Nevada City, California.
