***A Tale of Bayou drug smuggling*** The mystery begins when a barge and tug appear one morning, seemingly abandoned, at a remote shipyard on a South Louisiana bayou. Oddly, there are three national flags on board, but its owner and crew have vanished. The suspense builds when Louisiana State Police narcotics agents find fifteen tons of oil and water soaked marijuana in the hold. They quickly learn it is just the damaged dregs of the single largest importation of drugs in the history of the United States. *Wrestling with Pigs* is a novel about smugglers, cops and corruption on the Cajun coast. Based on real events, this authentic story provides humorous, and sometimes graphic insight into police life complete with complex and flawed characters. It gives a gritty, and in-the-trenches look at the lucrative Central American-originating drug smuggling operations of the 80's and how U.S. law enforcement struggled to combat it. Political insights revealed may just change the reader's perception of organizational leadership inside police agencies and their bureaucracies. "As an original member of the LSP 'Dirty Dozen' I salute Captain Roy Frusha for continuing the job. *Wrestling with Pigs* is a book some former troopers did not want written." —*Louis Ackal, Sheriff, LSP Retired, Iberia Parish* "Roy Frusha pens an exciting tale of narcotics agents that is covered with craziness and humor. It is an artfully written work of fiction from an author who has lived the life." —*Dr. Gary Copes, Former Chief of Police Lafayette, LA*
