Incluye audio del autor.

Remolino: el futuro depende de lo que hagan o dejen de hacer las minorías conscientes.

¿A dónde va México? Carecemos de respuestas definitivas, pero existe suficiente información para hacer un bosquejo bastante preciso de las fuerzas que, desde la sociedad, los poderes fácticos y las élites, están cincelandando el futuro para conformar el gran **Remolino** de nuestra historia. Aunque nadie puede anticipar los desenlaces, sí es posible asegurar que la sociedad organizada tiene la capacidad de influir en la agenda nacional. Nada está escrito. **Remolino** es mi primer libro digital, y está repleto de información manejada desde ángulos poco frecuentados. Es también una obra comprometida por el futuro de nuestro país, y guiada por el convencimiento de que sí es posible **transformar a México en beneficio de las mayorías, para lo cual, primero hay que entenderlo.**
