Sunset Mantle Alter S. Reiss

With a single blow, Cete won both honor and exile from his last commander. Since then he has wandered, looking for a place to call home. The distant holdings of the Reach Antach offer shelter, but that promise has a price.

The Reach Antach is doomed.

Barbarians, traitors, and scheming investors conspire to destroy the burgeoning settlement. A wise man would move on, but Cete has found reason to stay. A blind weaver-woman and the beautiful sunset mantle lure the warrior to wager everything he has left on one final chance to turn back the hungry tides of war.

PRAISE FOR *SUNSET MANTLE*

"A beautifully structured story, with solid and original characters who could have come from no other time and place than this fascinating imagined history." - Jo Walton
