Drs. Marini and Stebnicki present this quick, user-friendly desk reference guide based on the core content and knowledge areas outlined in both the Council for Accreditation of Counseling and Related Education Programs (CACREP) and Council on Rehabilitation Education (CORE) accreditation standards.

With contributions from 95 experts in counselor education, research, and practice, this book includes:

- Bulleted "how to" strategies for working with clients under various models in counseling and psychology
- Easy-to-read tables, graphics, and figures to capture a holistic picture of specific client issues

- Discussions on counselor impairments such as empathy fatigue, and developing a plan of self-care to prevent counselor burnout
- A comprehensive self-exam of 323 multiple-choice items based on the CORE/CACREP core content and knowledge areas for counselor education and training
