Escaping the heat and heartbreak of New York City for a summer in rural Pennsylvania sounded like the perfect plan to Nicky D'Amico. Little did he know that what began as a heavenly idea would turn out to be a hell of a job!

Each year the nuns of rural St. Gilbert's College hire a city slicker to help with their summer theater festival. As the stage manager, Nicky has a lot to handle--a truly awful musical script, bickering school staff, a huge crush on the cute guy in the chorus but things are about to get a whole lot worse. *Convent of Fear*, the school's play, features a serial nun killer. When several cast members are murdered, the mystery moves from the stage to real life. With its suspenseful plot, loveable characters, and laugh-out-loud humor, *A Habit for Death* is one habit you won't want to break.
