Abel Sanchez and Other Stories Miguel De Unamuno

Delve into three of Spanish philosopher Miguel de Unamuno's most haunting parables. This essential Unamuno reader begins with the full-length novel *Abel Sanchez*, a modern retelling of the story of Cain and Abel. Also included are two remarkable short stories, *The Madness of Doctor Montarco* and *San Manuel Bueno, Martyr*, featuring quixotic, philosophically existential characters confronted by the dull ache of modernity.

Translated by Anthony Kerrigan and with an insightful introduction by Mario J. Valdes
