Ada Richter Piano Course - The Older Student, Book 1: Piano Method (The Ada Richter Piano Course) Ada Richter

This course is for the older student of any age. It includes the ten year old who is too far advanced mentally to play pieces with childish titles; the adult of any age from ten on who never had lessons; and the person who studied in childhood and now needs a refresher course.

This method is designed for those who want to do more than fit a melody to a few chords learned by rote. It teaches the student to read music so that he or she will be able to play "on his or her own."
