Sam O'Neal

There are countless helpful resources available to the small group leader. As managing editor of smallgroups.com, Sam O'Neal has seen the best of them come and go. They tend to deal with the big *vision* of small groups--how they can revolutionize your church and transform your congregation. Or they consider the big *idea* of small group ministry, how it reflects God's communal vision for us. But sometimes a small group leader just wants to know *how to survive the next meeting*--not how to instruct and correct or shock and awe, but simply how to set the table for a life-changing encounter with God.

*The Field Guide for Small Group Leaders* focuses in on the small group gathering as spiritual event. Useful to newly minted leaders and as a ready resource for small group experts, this go-to guide helps leaders prepare themselves to prepare their groups for the adventure of a collective encounter with a great God.
