Bestselling author LaVyrle Spencer presents one of her most beloved stories—about a woman who must look past the surface to see true beauty within...

Allison Scott has her mind on her career. As an up-and-coming photographer, she has neither the time nor the inclination for an affair—especially since her last attempt at love with a handsome model shattered her dreams of rising to the top with a partner by her side.

Now, Allison is determined to stay detached from the beautiful men she must photograph every day. But Rick Lang, who only models to pay the bills, can see through Allison's aloofness to the aching heart beneath. And while it's clear that Allison isn't about to let him in without a fight, Rick knows that he's the right man to be trusted with the gift of her love...
