The *Exegetical Guide to the Greek New Testament: James* is the second book in a projected series of twenty volumes that seeks to bring together classroom, study, and pulpit by providing the student or pastor with information that is helpful to understand and expound the Greek text of the New Testament. Author Chris Vlachos aims to close the gap between grammatical analysis and exegesis, leading readers into an in-depth understanding of the New Testament Greek text by guiding them through an exegetical process that flows into sermon construction.

- List of recommended commentaries
- Extensive exegetical notes
