La France et l'Europe de Napoléon (Histoire) (French Edition) Jacques-Olivier Boudon

Entre 1799 et 1815, l'Europe entière affronte les ambitions de conquêtes de Napoléon qui, après avoir imposé sa loi à la France, cherche à dominer le monde. Pourtant, l'histoire du Consulat et de l'Empire ne peut se limiter à l'évocation des batailles et des traités de paix. Le visage de l'Europe sort profondément modifié des guerres contre la France, malgré les tentatives pour restaurer l'ordre ancien. Le continent européen entre alors dans l'ère moderne. Certes les transformations politiques, administratives ou sociales concernent en premier lieu la France qui se dote d'institutions durables, mais les principes issus de 1789, même imposés par les armes, finissent aussi par imprégner les peuples européens qui aspirent désormais à la liberté et à l'égalité. On ne peut comprendre l'importance de ces années sans une analyse croisée des ambitions françaises et des résistances étrangères, ce qui suppose d'adopter le point de vue des différents protagonistes. En s'appuyant sur les très nombreux travaux parus depuis une trentaine d'années, en France comme à l'étranger, cet ouvrage propose donc une nouvelle synthèse sur une période de l'histoire qui, deux cents ans après, continue à soulever les passions à travers le monde.

Jacques-Olivier Boudon, ancien élève de l'École Normale Supérieure, est professeur d'histoire contemporaine à l'université Paris-Sorbonne (Paris IV) et président de l'Institut Napoléon. Auteur de nombreux ouvrages sur la période napoléonienne, il a déjà publié chez Armand Colin en 2001, en collaboration avec Jean-Claude Caron et Jean-Claude Yon, *Religion et culture en Europe au XIX^e siècle*.

From reader reviews:

Johnny Cervantes:

Information is provisions for folks to get better life, information nowadays can get by anyone with everywhere. The information can be a knowledge or any news even a problem. What people must be consider if those information which is within the former life are challenging be find than now could be taking seriously which one is suitable to believe or which one the actual resource are convinced. If you have the unstable resource then you buy it as your main information you will have huge disadvantage for you. All those possibilities will not happen with you if you take La France et l'Europe de Napoléon (Histoire) (French Edition) as the daily resource information.

Glenn Pryor:

Reading a book to be new life style in this season; every people loves to go through a book. When you learn a book you can get a great deal of benefit. When you read books, you can improve your knowledge, because book has a lot of information into it. The information that you will get depend on what kinds of book that you have read. If you would like get information about your study, you can read education books, but if you act like you want to entertain yourself look for a fiction books, these us novel, comics, in addition to soon. The La France et l'Europe de Napoléon (Histoire) (French Edition) provide you with a new experience in studying a book.

Timothy Duchene:

As a pupil exactly feel bored to help reading. If their teacher requested them to go to the library in order to make summary for some e-book, they are complained. Just minor students that has reading's spirit or real their hobby. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that reading is not important, boring as well as can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this La France et l'Europe de Napoléon (Histoire) (French Edition) can make you experience more interested to read.

John Threadgill:

What is your hobby? Have you heard in which question when you got learners? We believe that that problem was given by teacher to their students. Many kinds of hobby, Every individual has different hobby. And you also know that little person such as reading or as examining become their hobby. You should know that reading is very important as well as book as to be the thing. Book is important thing to provide you knowledge, except your own personal teacher or lecturer. You discover good news or update regarding something by book. Different categories of books that can you choose to adopt be your object. One of them is La France et l'Europe de Napoléon (Histoire) (French Edition).
