Take a fascinating journey into the life of one of the most respected, sought-after, and renowned magicians alive today: Lon Milo DuQuette. In this follow-up to his popular autobiography, *My Life with the Spirits*, DuQuette tells how a friend was cursed by a well-known foreign filmmaker and how they removed that curse with a little help from Shakespeare. He explains how, as a six-year-old, he used the Law of Attraction to get a date with Linda Kaufman, the most beautiful girl in first-grade. DuQuette also reveals the ins and outs of working with demons and provides a compelling account of performing an exorcism at a private Catholic high school.

As entertaining as they are informative, the true stories in this memoir contain authentic magical theory and invaluable technical information.
