Blush sensuality level: This is a sensual romance (may have explicit love scenes, but not erotic in frequency or type).

Stabbing a man to death was not something Kirsty Dunn had planned for the night. At work, she is the quiet girl, the unnoticed girl, the girl with the timid voice, the proverbial office mouse. She is absolutely not the sort of girl who kills someone.

Six-hundred-year-old vampire Benjamin Bretel is her only hope for getting away with murder. But as they get to know each other, she finds that he has much more to offer than just his skill at hiding a body.

A Blush® paranormal romance from Ellora's Cave
