El guerrero y el sufí (Spanish Edition) César Vidal

Los almohades, procedentes del norte de África, aseguran que sus caballos abrevarán en el río Tíber que riega la ciudad de Roma tras derrotar a los reinos cristianos del norte de España. Pero, a medida que se acerca uno de los choques militares más decisivos de la historia de la humanidad, no todos los habitantes de la Península tienen una existencia similar.

Ahmad, el joven almohade procedente del Magrib, sueña con las recompensas que recibirá por llevar el yihad contra los infieles.

Alfonso VIII, el rey de Castilla, intenta encontrar una manera que le permita evitar los ataques por la espalda de los otros reyes cristianos y enfrentarse con los almohades con perspectivas de éxito.

Rodrigo abandona sus tierras para enfrentarse con aquellos a los que considera peligrosos invasores.

Raquel piensa en la manera de ayudar a los otros judíos a sobrevivir en medio de un choque entre pueblos distintos del suyo y

Abdallah redacta, tranquila y meticulosamente, un libro dedicado a un tema extraño, desconocido y esotérico que, a su juicio, resulta esencial en los tiempos que le ha tocado vivir.

César Vidal nos sumerge en un mundo marcado por la intolerancia religiosa y el afán de conquista, por la búsqueda de la sabiduría eterna y el amor a la belleza, al mismo tiempo que explora con rigor y talento narrativo aspectos muy poco conocidos del pensamiento islámico. Reyes y califas, campesinos y menestrales, guerreros y filósofos cobran vida en esta vibrante recreación de una de las batallas más célebres de la historia de Occidente y del mundo en que tuvo lugar.
