**Getting to Zero: The Path to Nuclear Disarmament** Catherine Kelleher, Judith Reppy

*Getting to Zero* takes on the much-debated goal of nuclear zero—exploring the serious policy questions raised by nuclear disarmament and suggesting practical steps for the nuclear weapon states to take to achieve it.

It documents the successes and failures of six decades of attempts to control nuclear weapons proliferation and, within this context, asks the urgent questions that world leaders, politicians, NGOs, and scholars must address in the years ahead.
