## Little Men Louisa May Alcott

The beloved characters of Louisa May Alcott's classic tale, *Little Women*, return in *Little Men*, where we find Jo and her husband Professor Bhaer running a boys' school. Plumfield, a place of learning, friendship and camaraderie, and also good-hearted mischief, is home to a bevy of rambunctious boys. Through scrapes and bruises, temporary expulsions and the challenges of young love, Jo's students manage what they never thought possible: growing up to be real little men.

*Little Men* is considered the unofficial sequel to Louisa May Alcott's beloved work, *Little Women*. It has been adapted twice for film and once for television.
