Practical Justice: Living Off-Center in a Self-Centered World Kevin Blue

You know the world is full of injustice. You know that God calls Christians to work for justice on the earth. But what can you do?

Do you have questions like this? You're well-intended, but stuck in the rut of the everyday. You want to make your life matter. But you don't know where to start. You wonder about everything from whether to give a dollar to a beggar to how to participate in the political process, from whether to shop at Wal-Mart to how much to spend on a car.

Kevin Blue has spent his adult life answering these questions for himself and for others. He lives in the heart of Los Angeles, where these questions can't be set aside. And he has led college students through experiences in urban ministry as well as international treks to the poorest parts of the world. In *Practical Justice* he combines what he has learned with the experiences of others to answer your questions.

Right thinking. Right action. Just living. God calls you to step up and get involved. This book will help you get started.
