**Set Design (UNIVERSITY PRESS)** Davide Fabio Colaci, Marina Spreafico Pierluigi Salvadeo

Set design takes the world of  
dreams onto an architectural  
scale and for a moment this  
allows the time of the theatrical  
production to coincide with that of  
reality. It is an immersive  
environment in which architecture  
and scenery are merged with one  
another, producing ideas of places  
in which inhabited space  
becomes space of performance  
and space of performance  
becomes inhabited space.

La scenografia traduce alla  
scala dell'architettura il mondo  
dei sogni e per un attimo il  
tempo dello spettacolo coincide  
con quello della realtà. E' un  
habitat immersivo in cui  
architettura e scena si fondono  
l'una nell'altra producendo idee  
di luoghi nei quali lo spazio  
abitato diventa spazio della  
rappresentazione e lo spazio  
della rappresentazione diventa  
spazio abitato.
