Soft shoulders and dangerous curves...

*Forces of Nature, Book 2*

Braden can't deny he's always wanted Chelsea, but getting involved wouldn't be fair. She has college and big dreams ahead of her—he has no desire to leave Jaffrey's Cove. Plus, there's the fact merfolk women often take more than one lover. Share her? Not in this lifetime.

When Chelsea's plans for the future fall apart, the only bright spot remaining is Sheriff Braden Marley. She's been angling for a shot at the gentle giant's heart—and the rest of him—for a long time. Except he not only holds her at a maddening arm's length, he somehow manages to keep other men away, too.

Enter Jamie Powell, a human marine archeologist who's in town for a cataloging project. His instant chemistry with Chelsea inspires her to try a sexy new tactic: make Braden jealous enough to stop dragging his feet and start leaving his shoes under her bed.

The ensuing storm generates a boatload of complications none of them saw coming. A forbidden attraction no amount of merfolk magic can erase. And the danger that their secrets could be exposed to the outside world...

Warning: Seductive shimmering lights, a sexy interlude on the strip club floor, mysterious Spanish lovers, and a trio caught in an eddy of intense sexual attraction. Swim at your own risk.
