A father's love can change the world.

Trey Luken turned from his responsibilities – and his son – long ago. Though he left his homeworld to become a beacon and protect a distant planet called Earth, burdened with great power, Trey vanished into the bottom of a bottle.

When Trey's half-human son Garrett is captured and tortured by a nefarious anti-alien syndicate, Trey gets the wake-up call he needed. For years he has held the key to Earth's survival but has lived in the shadows rather than confront his destiny. Now he sees a chance to regain his self-respect and his son's trust, emerging from among the humans to bring justice to the perpetrators.

He sees only one way to redeem himself and give his son a fighting chance: killing the man responsible for Garrett's suffering. But will Trey's actions be too little, too late, to save humanity?

This thrilling story of aliens living among us is perfect for fans of A.G. Riddle, Rysa Walker and Linnea Sinclair.
