## **BOOK #1: Essential Oil Magic For Quick Healing: 60+ Admirable Recipes Guide on Essential Oils for Relaxation and Good Sleep, Natural Remedies, and Energizing Effect**

Essential oils have been used for hundreds, maybe even thousands, of years and we're just getting back to our ancestor's practices when it comes to everyday complaints. They knew what they were doing when they heated up oils and placed them in sick rooms hundreds of years ago, or rubbed them on chakra points throughout their body in order to reap the benefits.

## **BOOK #2: Soap Making: A Beginner's Guide for Home Making Delux Natural Soaps**

Making soap is similar to cooking, find a recipe and use only the best ingredients. Making healthy, natural soaps, is a craft, one that we will show you in this book. This is a beginner's guide, no experience necessary, we will provide you with knowledge. Learn about the tools of the trade, that you will need to start making your own soap. Become a fully fledged soap maker and make premium soaps, using only the finest, natural ingredients. Not only is it amazing to be using your own home made soap, but it makes an incredible present for friends and family. But, be aware, there is an element of excitement to this hobby, plus an element of danger in the ingredients.

## **BOOK #3: Soap Making: A Beginner's Guide for Making Handmade Soaps from Scratch**

This book is designed to teach beginner level soap making so don't worry that we will be getting too technical. We want our readers to feel comfortable enough to get started as soon as they finish the book; not feel like they need another book to explain this book. In order to fully enjoy a craft one must understand it to

the fullest otherwise feelings of frustration and failure set in and crafts get forgotten about. This book will help you to get started and is guaranteed to light a fire that makes you want to learn more and make more soaps.

## **BOOK #4: Jewelry Making: 33 Tips and Advices For Making Unique Earrings**

Whether you are looking for a new craft to sink your teeth into, or are an earring designer looking for new inspiration, “Jewellery Making: 33 Tips and Tricks For Making Unique Earrings” is the perfect guide to getting your creative juices flowing.

## **BOOK #5: Diy Gifts: 25 Exclusive and Simple to Make Holiday Presents For Your Relatives, Partner, and Co-workers**

DIY gift ideas are around everywhere you look. Many require you to use simple craft items to construct items that are both functional and for aesthetic appeal only. When preparing your DIY gift or gift set, like any other gift giving occasion, it's best to remember the receiver of the gift. Often, a gift giver gets too excited when buying something for that special someone and inserts him or herself into the receiving end instead of thinking about the recipient's preference or needs. Time spent towards cutting, measuring, painting and other measures may make you feel great and the recipient wont forget it.

## **BOOK #6: Diy Homemade Shampoo: 33 Easy Organic Shampoo Recipes for Growing Hair and Preventing Hair Loss**

The natural, handmade shampoo is as hot now as it was in Cleopatra's day, only now we've added science to the mix. This shampoo bible is a gift for your hair and for your heath. It presents you with the reasons and tools that will enable you to join the “poof-free revolution” – to dump your synthetic, toxic shampoo bottles for jars of fresh, verdant scalp and hair tonic that you've crafted with your own hands
