**El informe criminológico forense (Spanish Edition)** Carlos Climent Durán, Vicente Garrido Genovés, Javier Guardiola García

La Criminología está de moda en las universidades españolas, pero falta el gran paso de introducir su empleo en el ámbito de los tribunales y de la prevención de la delincuencia. Este libro presenta a todos los operadores del sistema de justicia, así como a los profesores y alumnos de Criminología el informe criminológico, definido en el contexto procesal penal como el producto del conocimiento criminológico destinado a que el juzgador tenga más criterios para acercarse a la verdad de los hechos o bien para emitir sentencias más justas y eficaces. Uniendo la teoría con la práctica, esta obra consigue el logro de formalizar la contribución del criminólogo en el contexto forense.
