GPS Interior (Spanish Edition) Ignacio Fernández Reyes

En la vida personal, acostumbramos preguntarnos cómo cambiar, cómo dejar de lado la negatividad o cómo conseguir que nuestro estado de ánimo sea más positivo. En el trabajo, queremos saber cómo hacer para tener un mejor ambiente laboral, cómo funcionan los equipos de alto desempeño o cómo crear atmósferas para que salga lo mejor de las personas y se logren buenos resultados.

Este es un libro para buscadores, que navega en las diferentes facetas de un ser humano, desde lo externo, laboral y racional, hasta lo profundo, sentido y espiritual. Su aporte fundamental es ayudarnos a conectar con el GPS interior, un sensor personal que muestra el camino, da las respuestas, nos ubica en el mapa, nos hace llegar a destino y no se equivoca.
