Nick Barker was thrilled. A summer working on his college roommate's family ranch was a dream come true for a veterinary student. He didn't anticipate his reaction to his best friend and roommate's father, though. Lex Whitefeather hired his son Sam's best friend for the summer. He figured he'd be generous and help the kid out. He wasn't expecting the young Adonis who stepped off the plane. Nick Barker was no kid. Years of repressed sexual desires rose to the surface that summer. When Lex and Nick finally come together and admit their feelings, Lex is plagued by guilt. He's not "out" to his family and friends. Lex pushes Nick away with his unwillingness to open up to his family. A few years later, Nick is back on the ranch. Will Lex be willing to sacrifice his long-held secrets for true love?
