The Firebird in Full Score (Original 1910 Version) (Dover Music Scores) Igor Stravinsky, Music Scores

In 1910, following his successful orchestration of selections for the ballet *Les Sylphides*, the innovative young composer Igor Stravinsky was commissioned by the director of the Ballets Russes, Serge Diaghilev, to create a completely new score. The dazzling result was *The Firebird*, a work which brought overnight success to its creator and distinguished him as the most gifted of the younger generation of Russian composers. Based on Russian fairy tales, the piece, according to *Grove's Dictionary of Music and Musicians*, has "all the coloring of a Russian child's picture book...brilliant orchestration, glowing color...an extraordinary evocative power which literally enchants the listener."

Today, *The Firebird* is as popular and enthusiastically received as it was following its triumphant premiere in Paris more than a century ago. Greatly admired for its orchestrations and harmony, the composition is widely studied by practicing musicians and music students.

Now the complete score of this modern masterpiece is available in this handsome, authoritative, and inexpensive edition, which includes a list of instruments and English translations of the stage directions.
