La donna di pietra (Italian Edition) Winifred Wolfe

Dall'autrice di *Un matrimonio perfetto* e *Tutte le ragazze lo sanno*, un delicato e intenso romanzo sentimentale che anticipa di decenni il tema della realizzazione e liberazione

Femminile. Siamo in America, alla fine degli anni Cinquanta, in una quieta cittadina di provincia, lontana dalle turbolenze di New York e dalle inquietudini del tempo. Qui la vita di Lena sembra perfetta, con un matrimonio riuscito, due figli adorabili e una speciale capacità di far bene ogni cosa. Ma un giorno, sul finire dell'estate, nella piccola città arriva John MacCurdy, uno scultore brusco, anticonformista, affascinante.

Dopo un iniziale senso di avversione nei suoi

confronti, Lena decide di prendere lezioni di scultura e inizia così a frequentare il suo studio. Con il tempo, sia l'arte che l'uomo prendono sempre più spazio nella vita di Lena, la quale si rende conto di avere un grande talento e desideri repressi che vanno oltre la dimensione casalinga che la sua vita ha finora avuto.

Riuscire a far convivere il suo mondo ordinato e prevedibile con quello istintivo e ignoto dell'arte, rappresentato da John, diventa sempre più difficile ma scegliere sarà necessario, anche se nessuna direzione è scontata... Autrice di brillanti romanzi di successo, sempre centrati su un universo femminile inquieto e in cerca della propria realizzazione, Winifred Wolfe ci regala stavolta un romantico romanzo di formazione al femminile. Con i suoi toni delicati e le tematiche pionieristiche, la storia di Lena è la stessa di ogni donna che si chieda se la vita non sia altrove.

From reader reviews:

William Jimenes:

Information is provisions for people to get better life, information presently can get by anyone at everywhere. The information can be a expertise or any news even a huge concern. What people must be consider if those information which is inside the former life are challenging be find than now's taking seriously which one is appropriate to believe or which one the particular resource are convinced. If you obtain the unstable resource then you understand it as your main information we will see huge disadvantage for you. All of those possibilities will not happen throughout you if you take La donna di pietra (Italian Edition) as the daily resource information.

Elizabeth Branch:

La donna di pietra (Italian Edition) can be one of your beginner books that are good idea. Most of us recommend that straight away because this book has good vocabulary that could increase your knowledge in vocabulary, easy to understand, bit entertaining but still delivering the information. The author giving his/her effort to get every word into delight arrangement in writing La donna di pietra (Italian Edition) but doesn't forget the main stage, giving the reader the hottest as well as based confirm resource information that maybe you can be one among it. This great information may drawn you into completely new stage of crucial thinking.

Travis McDonald:

This La donna di pietra (Italian Edition) is great guide for you because the content which is full of information for you who have always deal with world and also have to make decision every minute. This specific book reveal it details accurately using great plan word or we can declare no rambling sentences inside it. So if you are read the idea hurriedly you can have whole data in it. Doesn't mean it only provides straight forward sentences but difficult core information with attractive delivering sentences. Having La donna di pietra (Italian Edition) in your hand like obtaining the world in your arm, info in it is not ridiculous one. We can say that no publication that offer you world inside ten or fifteen tiny right but this guide already do that. So , this is good reading book. Hey there Mr. and Mrs. active do you still doubt which?

Lorenza Jones:

You may spend your free time to study this book this e-book. This La donna di pietra (Italian Edition) is simple to bring you can read it in the park, in the beach, train and soon. If you did not have much space to bring the actual printed book, you can buy typically the e-book. It is make you easier to read it. You can save the actual book in your smart phone. And so there are a lot of benefits that you will get when one buys this book.
