***Master The Latest Educational Technology To Teach 21st Century Skills.***

To prepare students to thrive in the classroom and beyond, educators must place the proper emphasis on technology leadership.

First published in 2009, this book's second edition features 80% brand-new material addressing the latest technological developments, combined with the authors' tested methods for applying them in schools. Features include:

- Aligning technology to the ISLLC Standards, ISTE Standards, and Common Core State Standards
- Comprehensive guides to the newest technologies and trends that school leaders need to know
- A companion website featuring a massive volume of resources for additional progress
