Of Communion with God the Father, Son and Holy Ghost - Enhanced Version

John Owen

Of Communion with God the Father, Son and Holy Ghost - Enhanced Version John Owen

In 1657, John Owen produced one of his finest devotional treatises, probably the substance of a series of sermons. He examines the Christian's communion with God as it relates to all three members of the Holy Trinity. Owen directs Christians towards green pastures and still waters, and lays open the exhaustless springs of the Christian's hidden life with God. Yet, twenty years after its publication, *Of Communion with God* provoked the heavy criticism from another theologian. This work brings together not only Owen's original work, but also his response to this heavy criticism. In his reply, Owen vindicates himself from the various mystical sentiments that were ascribed to him. This wonderful book illustrates health Christian dialogue, and is a wonder to read.

Tim Perrine

CCEL Staff Wrtier

This edition features an artistic cover, a new promotional introduction, an index of scripture references, links for scripture references to the appropriate passages, and a hierarchical table of contents which makes it possible to navigate to any part of the book with a minimum of page turns.
