**Rudy: My Story** Rudy Ruettiger

**Rudy became the inspiration for millions when a Hollywood film depicting his journey as a Notre Dame football player became one of the most influential sports movies ever made.** In Daniel "Rudy" Ruettiger's only autobiography, go behind the scenes to experience the heartache, triumph, and glory through Rudy's own eyes, and learn details of the ten years it took to get the movie made.

For the first time, the real Rudy shares his story of floundering through school with undiagnosed dyslexia and finding himself mixed up with a rough and rowdy crowd. "Football was my salvation in high school," Rudy believes, and while he dreamed of playing for Notre Dame, he never believed he was smart enough to make it to the elite group of higher education.

A poignant and high-energy storyteller, Rudy details failures and pitfalls along the way. He explains the persistence and determination it took to get accepted to Notre Dame, to suit up and play for twenty-seven glorious seconds, and to see the dream of his movie become a reality. Rudy is truly a real-life testament to the old adage that it is not how many times you get knocked down, but how many times you get up again. He will motivate you to discover your own dreams and to them with unrelenting faith that anything is possible.
