The Kingdom of God is built by the hands and hearts of Gospel Champions. These devotionals are focused on the faithful and courageous men and women who answer God's call on their lives. Often the least recognized, these Christian servants are the hands, feet and face of God's present-day Kingdom. Some of the devotions encourage servants to answer His call, then prepare for their mission tasks. Other devotionals address working with others on the frontlines of the Gospel mission. There are devotionals related to finishing in continuing strength and steady faith. Some devotions include Scriptural medicine and reassurance for those who stumble while serving. The servants who bless others are often more blessed than they know. These teachings help Gospel champions recognize and use the gifts God has already given to them. This book benefits the men and women who deliver God's answers to the physical and spiritual needs around them.
