### Cell 7 Kerry Drewery

A world where justice and the fate of those accused of murder is decided by the public, but has moved on from the Roman Gladiator 'thumbs up or thumbs down' public vote, to a public vote by telephone. If you are voted innocent you are set free; if you are voted guilty you are committed to death by electric chair. Those awaiting their sentence reside in ever decreasing cells, getting smaller each day, until Day 7 and Cell 7, where they hear their fate.

Sixteen year old Martha has confessed to killing a famous celebrity. But has she done it? And if not, why has she claimed the murder? Perhaps she wants to show up the flawed and brutal system by sacrificing herself in the hope of a better world....

### **From reader reviews:**

#### **Mamie Wilson:**

What do you think about book? It is just for students because they're still students or it for all people in the world, exactly what the best subject for that? Just you can be answered for that concern above. Every person has several personality and hobby per other. Don't to be compelled someone or something that they don't desire do that. You must know how great and also important the book Cell 7. All type of book could you see on many options. You can look for the internet methods or other social media.

#### **Darrin Russell:**

This Cell 7 are reliable for you who want to certainly be a successful person, why. The reason why of this Cell 7 can be one of the great books you must have is giving you more than just simple looking at food but feed you with information that probably will shock your previous knowledge. This book will be handy, you can bring it everywhere and whenever your conditions both in e-book and printed versions. Beside that this Cell 7 giving you an enormous of experience for example rich vocabulary, giving you trial of critical thinking that could it useful in your day task. So , let's have it and enjoy reading.

#### **Walter Knight:**

This Cell 7 is great book for you because the content that is certainly full of information for you who else always deal with world and still have to make decision every minute. That book reveal it facts accurately using great coordinate word or we can declare no rambling sentences in it. So if you are read that hurriedly you can have whole info in it. Doesn't mean it only offers you straight forward sentences but tricky core information with lovely delivering sentences. Having Cell 7 in your hand like obtaining the world in your arm, information in it is not ridiculous one particular. We can say that no e-book that offer you world in ten or fifteen moment right but this reserve already do that. So , this really is good reading book. Heya Mr. and Mrs. occupied do you still doubt that will?

#### **Lorraine Vargas:**

A lot of e-book has printed but it differs from the others. You can get it by net on social media. You can choose the top book for you, science, witty, novel, or whatever by means of searching from it. It is referred to as of book Cell 7. You can add your knowledge by it. Without making the printed book, it can add your knowledge and make a person happier to read. It is most significant that, you must aware about reserve. It can bring you from one location to other place.
