España, 1978. La amnesia constituyente (Estudios) (Spanish Edition) Bartolomé Clavero

España, 1978. La amnesia constituyente se ocupa de una historia de presente, de un pasado tan palpitante que se mantiene activo por mucho que se multipliquen y esfuercen los intentos por reducirlo literalmente a cenizas. Parte de las amnistías de 1976 y 1977 para llegar a los apuros que actualmente atraviesa España ante instancias de derechos humanos de las Naciones Unidas pasando por La Constitución, deteniéndose en ésta como el obligado punto de referencia para el problema de la amnesia que ha transformado las medidas de amnistía en ley de punto final inadmisibles para el derecho internacional. Se trata de un libro de historia. Se trata de un libro de derecho. Es un libro sobre la Constitución española, Constitución que ya es historia y Constitución que todavía es derecho. Es historia que atraviesa episodios de amnesia y que incluso puede que se cimente en olvido afectando a la Constitución misma.
