The Common Sense Guide to the Common Core: Teacher-Tested Tools for Implementation Katherine McKnight

Based on the original source document for the Common Core State Standards and tested by 1,000 educators in diverse classrooms across the country, these research-based tools will help readers examine their current practices and adapt existing curriculum. Each of the 40 tools is clearly presented, explained, and exemplified, guiding educators through every stage of implementing the CCSS across the curriculum—from gap analysis to lesson design to assessment. Includes online access to extensive matrices for unpacking all of the standards at all grade levels. Some people call it Common Core—in reality, it's common sense. Downloadable digital content includes customizable forms and standards analysis matrices for all grade levels.
